**Application Questions:**

- *Are you more aware of the failings of the people of God than the Holy Spirit borne faith that accompanies the children of God?*
- *Do you often focus on your children's/spouses/friends faults rather than highlight their acts of faith? If so, how might God be calling you to repent?*
- *Do you believe that God still works miracles today in the lives of Christians? How about in your particular season of trial or troubled circumstance? How does that faithfulness of God in the past or the Greatness of Power inspire you to believe despite the odds?*
- *Do you think of the suffering saint who is full of faith but absent of 'healing' as one who demonstrates the power of God?*
